PLACEHOLDER DOCUMENT

FOIA Tracking Number: EPA-R10-2023-004874

FOIA Request Description:

U.S Environmental Protection Agency enforcement inspection reports and associated media, such as pictures, from January 1, 2021, to June 1, 2023, on open (active) municipal solid waste landfills in the State of Oregon, specifically related to the enforcement of the NSPS rules for new or reconstructed/modified landfills or related to enforcement of the emissions rules on existing landfills.

Eight records responsive to this request are raw GPS files that EPA provided to the requestor in their native .gpx and .kml file format via File Transfer Protocol (FTP) outside of FOIAonline because the native file format of these GPS files is not compatible with FOIAonline. Copies of the eight responsive records provided to the requester in their native file format are available upon request from the contact below.
